BOX NON-FEE AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

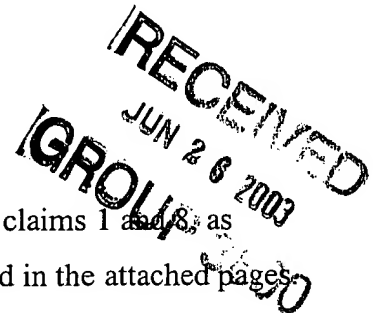

This is in response to the Official Action of March 26, 2003.

Applicant herewith amends the Page 5 of the specification and claims 1 and 8, as indicated on the attached sheets, and provides remarks also as indicated in the attached pages.

Additionally, the applicant points out that a response to the NOTICE OF DRAFTSPERSON'S PATENT DRAWING REVIEW, including the objections thereto, has already been responded to, with replacement sheets of drawings which were filed October 31, 2001, in order to obviate all of the objections made to the drawings of that time.

Respectfully submitted,
